Funded by a grant from the State Library and Archives, SBCPL will continue with the next three groups of classes for novice computer users. Two groups of students have already completed the course. We invite adults who want to learn computer use basics to sign up for these six-class series. The Library is pleased to have Michael Miller of the Tennessee College of Applied Technology here in Shelbyville serving as instructor. The next sessions are scheduled for Thursday evenings starting in January, April and June of 2018. Each class can have up to 10 participants, but you do need to reserve a space to take these popular courses. Those with little or no experience using personal computers are encouraged to apply; especially seniors and military veterans. For more information, please contact the library at 931-684-7323.

The Library has been the recipient of several significant donations & bequests over the past few months and wishes to extend a heartfelt thank you to those donors and their families. The Library has been enriched by the thoughtfulness and love shown by our community!

Hello Friends,

Who would have thought that ABCs and 1-2-3 could be so entertaining! Michael Shoulders certainly entertained those attending the annual luncheon with his unique alphabet and counting books as well as a history lesson or two. Author, Michael Shoulders, interacted with the audience to share with us some writing techniques and background information for his books. Lunch was delicious which added to the success of the afternoon. Whether table sponsors or purchasers of individual tickets, your support of this annual fundraiser, Library Author’s Luncheon, is greatly appreciated.

I would like to introduce myself; I am Monica Lewis, the new chairman for the Friends of the Library Council. The title of the council is so very appropriate! We depend on our friends for support in good times and bad times as well as everyday life. That is exactly what this group of friends does for the library. We help with fundraisers, activities the library conducts for the community as well as help meet some of the needs of the library in order to conduct daily business. Some folks who have served as part of the Council for several years have rolled off; we welcome the new members who have joined us. Feel free to let any member of the Council know if you are interested in participating as a member of the Friends of the Library Council. The council will gear up in the spring for events to support our library. We always welcome new faces!

In the meantime, curl up with a good book from our library and keep warm! I look forward to our meeting in April!
