WHAT'S NEW AT THE LIBRARY?

We are OPEN!
As of June 1 the library will be relaxing some of our pandemic restrictions! This is an exciting step toward getting things back to normal! We will continue to adhere to all CDC recommended guidelines, but thankfully restrictions will be loosening more over the next few months.

What does this mean for the library and your visit?
1. Masks are optional. However, we do recommend if you are visiting for a children’s program you wear one, as children under 12 are not yet able to be vaccinated. (Let’s keep our children safe!)
2. The Computer Lab will be fully open with all 16 computers available for up to 90 minute of use per day.
3. Programming will resume, with some restrictions depending on space and age of groups, just in time for Summer Reading!
4. Study rooms will be open for use. Sign-up at the Front Desk is required and reservations may be made.
5. Time limit on browsing and visiting the library has been lifted!

WE HOPE TO SEE YOU ALL BACK AT THE LIBRARY THIS SUMMER!
EXPLORE THE OCEANS! MEET EXOTIC ANIMALS!
FREE FUN, PRIZES, & ACTIVITIES FOR AGES 0-18!

Programs will be held
JUNE 7th - JULY 23rd
Online Registration begins May 31.
Game Boards will be available
beginning June 1 @ the Library or by visiting our website, sbcplibrary.org!
See below for Summer Reading Activities Calendar.

Hello Friends,

It is time to plan for our Friends of the Library Annual Author’s Luncheon to support the Shelbyville-Bedford County Public Library. We are excited about this year’s event since we had to cancel it last year due to the pandemic. This year’s boxed lunch event is scheduled for Tuesday, October 12, 2021 at the Blue Ribbon Circle at noon.

Our featured speaker for this year at our Annual Author’s Luncheon will be June Hall McCash. Although she was scheduled for last year, Mrs. McCash agreed to join us this year. McCash is the recipient of more than eight literary awards for fiction, poetry, and non-fiction. She has won Georgia’s Author of the Year Award for best novel in 2011 and 2013. She is the author of fourteen books and has recently published a new one. In addition to her books, she has appeared in four documentaries as well as on ABC’s “Good Morning America”. McCash spent her academic career at Middle Tennessee State University where she received awards for teaching, research and career achievements. We look forward to June Hall McCash sharing her captivating and enlightening experiences as an author. Mark your calendars with plans to attend this exciting event! While times are improving, we are continuing to plan and implement our Annual Author’s Luncheon as usual with needed accommodations. The Friends of the Library are forging ahead with plans of the most important fundraising event which we support Shelbyville-Bedford County Public Library. We look forward to seeing you October 12!

ABOUT US

The Shelbyville-Bedford County Public Library serves residents in Bedford County, Tennessee. Established in 1948 by the Veteran of Foreign Wars Ladies Auxiliary, what was known as the Bedford County Memorial Library was once housed in the unused passenger waiting room of the SC&StL Railway depot. Although The American Legion Auxiliary worked to initiate a library in the 1930s, records indicate it was burned in the courthouse fire of 1934. In 1964, when the General Services Administration provided use of the former post office as a public library, the remodeled building was named in honor of dedicated supporter of The American Legion Auxiliary's original efforts to form a library, Argie Cooper. In 2014, what is now the Shelbyville-Bedford County Public Library broke ground for it's own home where it currently stands.

Today, the Shelbyville-Bedford County Public Library has become a valuable resource for residents offering a vast digital collection including audio books, e-books, DVDs, magazines, movies, and TV shows in a variety of formats. The library circulates thousands of items a year and has librarians skilled in local resources and all aspects of reading for pleasure and research. Free to the public are multiple computers and Wi-Fi available. The Children’s and Teen departments feature weekly activities for all ages. The library offers local history archives, an extensive historical newspaper collection, and information helpful in researching genealogy.
